

# ICTV Highlights for MIPDOC and MIPTV - stand Europe creative Media - April 1-6, 2017

## TEMPO : Current Affairs/History

### Inside the DMZ (52' HD)

A film by JEONG Gyoung-youl

*What Future for the Still Divided Korea?*

This film suggests to look in an unusual way at the division of Korea by focussing on the demilitarised zone between North and South...

## EXPLORA : Lifestyle/Green

### Blank Lands (52' HD)

A film by Collective Blank Lands

*Discovering Chinese ethnic groups, ignored for a very long time*

In the 1930s, the young photographer ZHUANG Xueben leaves Shanghai to explore uncharted regions of Western China, absent from geographic maps...

### Searching for Yu Bin (105' HD)

A film by Jean-Christophe YU

*A private investigation reveals a wealth of little known facts of Chinese History*

Following the trail of his grandfather Yu Bin, Belgian filmmaker and journalist Jean-Christophe Yu rediscovers Chinese history of the last century...

### A Way Out (94' HD)

A film by Cherule ZHENG

*Will today's China offer it's Youth a promising future?*

What holds the future for contemporary Chinese adolescents? This is the central question that Director Cherule Zheng pursues while filming three teen-agers...

### Restoring the Light (52' HD)

A film by Carol LIU

*Hopes and strength of Chinese peasants*

Although China is nowadays a major world economy, life conditions in the countryside still remain appalling. Many peasants have never entered a hospital in their entire life, nor have they ever seen a doctor.

### Generation 90 (87'HD)

A film by HE Wenzhong

*Illusions, Doubts and Interrogations of Young Chinese Citizens*

The Chinese generation born in the 90s has not experienced the years of rationing hunger, deprivation or intense work their parents and grandparents were exposed to. They are the children of an economic miracle. Where do they want to go?
